ADOPTED POLICY

This policy has been formally adopted by L-Fit Pathways' co-directors and is in effect from the date shown below. Version: 1.0 (Adopted)

Date Adopted: 16 September 2026

Next Review Due: 16 September 2027 (or sooner following any legislative change or relevant incident)

1. Statement of Intent

L-Fit Pathways maintains accurate attendance records for every young person, and reports this information transparently to referring schools, colleges and local authorities, in line with DfE guidance on arranging and monitoring alternative provision.

2. Legal & Good Practice Framework

- Arranging Alternative Provision — DfE Guidance for Local Authorities and Schools
- Education Act 1996, Section 19

3. Recording Attendance

- A register is taken at the start of every session, recording arrival and departure times
- Attendance is recorded whether a young person attends via an individual, small-group or off-site session
- Reasons for non-attendance are recorded where known

4. Reporting

Attendance summaries are shared with the referring school, college or local authority weekly, or as otherwise agreed as part of the referral, alongside progress reporting as part of our review process.

5. Unexplained Absence

Where a young person does not attend and no reason has been given, a member of staff contacts the parent/carer the same day. Where a pattern of unexplained absence emerges, or a safeguarding concern arises from a young person's non-attendance, this is escalated to a Designated Safeguarding Lead and, where relevant, to the referring school or local authority, in line with our Safeguarding & Child Protection Policy.

6. Roles & Responsibilities

Session leads are responsible for taking accurate attendance at every session. The Co-Directors are responsible for attendance reporting to referring schools, colleges and local authorities.

7. Monitoring & Review

This policy is reviewed annually.
